TWINNING  
SUPPORTING UKRAINIAN UNIVERSITIES

# ACCELERATE YOUR GROWTH WITH VIRTUAL INTERNSHIPS

In this new era of international employability and remote working opportunities, the job market is more saturated than ever with thousands competing for the same roles.

Make yourself stand out and gain the experience and professional skills you need to land your dream job with a remote internship. By interning remotely with an approved company in 80+ countries, there's no need to relocate, spend excessively on travel, or jeopardize your social life and studies.

### What Our Alumni Say

"I am thankful for this opportunity as it has given me an advantage over other students when applying for future internships/jobs. It has given me an invaluable insight into what the world of work is like and increased my level of competence within my chosen field."

**Eridon Keta, Product Development Intern at ARYZE, Denmark**
